

Move or Discontinue a Major, Minor, Option, or Program

Step 1: Discuss with your Department Head

- How will adding this major, minor, option, or program support the University's commitment to curricular integrity and to disciplinary unity?
- How will the addition of this program affect other programs or other Penn State campuses and colleges?
- Will there be any cost?
- Once you have approval from the appropriate departmental authorities (this may vary by department), move on to Step 2.

Step 2: Obtain a General Consensus

- Present your idea of a new major, minor, option, or program to the units and faculty that share your curriculum (at University Park and the Commonwealth campuses) or that might otherwise be affected by this change.
- (Assemble your consultation list in accordance with these Senate guidelines: <http://senate.psu.edu/curriculum/guide-to-curricular-procedures/glossary/#consultation-statement>)
- This is a preliminary, pre-proposal consultation, so you needn't wait for responses from all affected parties.
